India's Coolest Startup

WHO WE ARE ?

We are India's biggest recruiter of Interns,
whose only aim is to make students'
life Easy and Happening.

So far we've reached and influenced
the lives of more than 1 Crore
students from 4000+ colleges in
1200+ cities with the help of 1,40,000
interns working as a team.

We are not a consultancy or aggregator,
we hire interns for our own company. And this year
we're planning to step into a few more big
cities including Kolkata, Bangalore, Hyderabad,
Chandigarh, Jaipur, Ahmedabad, Lucknow also in
one of the most happening state Goa
and our International offices in
Dubai, Canada, Sydney & London.

CT CAREER

We help students to choose their best career interests, right college as well as abilities to survive the college life and get their dream job through our visual based survey with life hack video content.

WHAT WE DO ?

CT CLASSES

An Innovation Center for students to enhance their Creative and Tech skills. Where they will learn intensively and implement their knowledge independently, in a productive way.

CT CARE

In this program, we work for the welfare of society as well as try to solve the problems which are faced by youngsters like Mental Health, Depression, Women's safety etc.

CT CONNECT

It is a program where people connect, share their experiences, create contacts, get exposure which eventually helps them to build their careers.
